1. Projects

Reclaim the City
Should finalise all the sessions by 23rd (not so likely to happen) when we need to submit the list of technical needs to EYC. Most of the participants already booked their tickets and visas are being arranged. Started with the introduction round in Moodle.

I know, therefore I act!
PT finalised the report for our website; thank-you notes are sent to the speakers and contributors; campaign is published. Article is published - still needs to be published on the FB. Julian is Working on the toolkit.

2. Working groups

Digital [x] Had a meeting last week and it was pretty productive even though some people couldn't or could only make it for a short while. Everyone is very excited about potentially being able to work with FYEG and set up a useful server etc. Also started planning the toolkit database and are looking into updating our website/twitter/logo

Gender organizing a meeting with members.

AlterUrb had very productive discussion on the aims and objectives of the WG, we will continue this. Planning to write a project for annual grant for 1st of October deadline

RUMB Co-organizers of the International Youth Forum in Lutsk could invite young greens from RUMB region to the event. Organizers can pay for their accommodation and meals. The way to cover their travel costs should be figured out. Forum usually takes place in the end of September, beginning of October. The topics of Forum are everything connected to the activism of young people.

Migration
First online meeting should happen between EYE 2016 and FYEG GA. The first meeting will be introducing and relaxed a bit so people will get to know each other. 9 people are currently in the WG

3. Regional Cooperation and MOs

Balkans
Milan, Kate, Kaca are planning plan the Balkan Regional Meeting brainstorming on the topic and what is needed/required for this to be done.
