Dear Members and Partners,

CDN is opening a **call for amendments to the statutory and general documents of CDN** for the upcoming General Assembly, namely:

- [Statutes](#)
- [Political Platform](#)
- [Internal Rules of Procedure](#)
- [Strategy Statement 2019-21](#)

All these documents can be downloaded at the [GA page on CDN website](#). Apart from the documents above that you can amend, you also have the opportunity to table resolutions. These are documents that serve as a standpoint of CDN and promote our values. We would like to ask your organisation to look over all these documents, discuss possible changes and if you find appropriate, propose the amendments. Amendments should be written in [this form](#). All amendments and resolutions should be sent to office@cdnee.org **by 15th of February 2019** at Midnight CET. It is possible to table amendments and resolutions at any time before and during the General Assembly. However, only the amendments received before the deadline mentioned above will be circulated to other delegates and CDN Member and Partner organisations before General Assembly.

In case of any questions don't hesitate to write to office@cdnee.org.

Best regards,
CDN Executive Committee and Secretariat
