Letter of Support

The Executive Committee of Georgian Young Greens would like to inform that we support our member, Giorgi Ptskialadze to be a candidate for Executive Committee (EC) Member of Cooperation and Development Network Eastern Europe (CDNEE). We also have to mention that he has been Co-Spokesperson of the Georgian Young Greens last year and the contributions he has made to the organization were significant. Giorgi and the other members of the previous EC have definitely increased the Georgian Young Greens' potential to become an important political actor in Georgian society. Giorgi is a very motivated young Green activist and deserves the full support of our organization; we think that his mandate will benefit CDNEE and its Member Organizations.
