Dear Cooperation and Development Network Eastern Europe,

We, the Green Youth of Ukraine, are pleased to write this letter to nominate Ivanna Madiar to the Cooperation and Development Network's Executive Committee.

For the time she is working in our organization, we have learnt that Ivanna is a highly responsible, respectful, punctual and motivated person. She shows her big interest in being a part of the Green movement, especially in spreading Green ideas. Ivanna has huge experience of managing different processes and projects, what will help her during the mandate.

For these reasons, we are certain that Ivanna would be an excellent member of the Executive Committee. She has Green Youth of Ukraine's full support.

Yours sincerely,

On behalf of Green Youth of Ukraine,

Mariia Patrul

The head of the Green Youth of Ukraine
