

REVOLT

To Whom It May Concern,

I am writing to recommend Natalia Sofronova's candidacy for the Cooperation and Development Network Eastern Europe Executive Committee. As Cooperation and Development Network Member Organization, we are happy to recommend Natalia Sofronova for the Executive Committee.

Natalia Sofronova took part in the event „Digitising the youth ar(c)tivism" in Tuzla where we got to know her and her qualities very well.

She was very engaged in discussions, and she contributed to the success of the event.

We, in Revolt, highly recommend Natalia for CDN's Executive Committee. We are sure she will contribute to the Cooperation and Development Network Eastern Europe and wish you all the best of luck in future work.

Merisa Okanović,
President of Youth Movement Revolt
